ROMANS 1:20-23

“For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly perceived, being understood by what has been made so that they are without excuse. For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their reasonings, and their senseless hearts were darkened. Claiming to be wise, they became fools, and they exchanged the glory of the incorruptible God for an image in the form of corruptible mankind and birds, four-footed animals, and crawling creatures.
